PETITIONS OFFICE

RENEWED PETITION UNDER 37 C.F.R. §1.47(A)

In response to the Decision on Petition mailed September 10, 2002, Applicant submits the following response.

Background

On December 21, 2002, Applicants submitted an application for the above-referenced invention, naming Jon Strong, Jay Werb, and Colin Lanzi as joint inventors. A Declaration for Patent Application executed by inventors Werb and Lanzi was submitted with the application (inventor Strong failed to execute the Declaration). On February 26, 2002, a "Notice to File Missing Parts of Nonprovisional Application (hereinafter, "the Notice") was mailed indicating that an executed oath or declaration and a surcharge of \$65 was required.

Applicants' representative responded to the Notice by submitting a Petition to Make Application on Behalf of a Refusing Inventor Under 37 C.F.R. 1.47(a), the petition fee, the \$65 surcharge, a one-month extension of time, a copy of an employment agreement signed by inventor Strong, a copy of a letter sent to inventor Strong, and a copy of inventor Strong's response.

The Office of Petitions dismissed Applicants' Petition and mailed a copy of the decision (hereinafter, "the Decision") on September 10, 2002. The Decision stated that the "Rule 47(b)

Serial No.: 10/036,710
Docket No.: P00723.70048

applicant must sign on behalf of the non-signing inventors, and the submitted declaration of the parent application is not relevant to the present application."

In response, Applicants submit herewith a Supplemental Declaration for Patent Application executed by the Rule 47(b) inventor, the assignee RF Technologies (signed by Larry Cimpinski) on behalf of the non-signing inventor.

By submitting herewith the Supplemental Declaration for Patent Application, Applicants believe they have met requirements (1)-(6) of 37 C.F.R. §1.47(a) and hereby request reconsideration. If there is anything else required, Applicants respectfully request the Petitions Office to contact the attorneys of record at the telephone number listed below.

Respectfully submitted,
